According to chapter 1.9.5.1 of the European Agreement concerning the International Carriage of Dangerous Goods by Road (ADR) the competent authority must assign the road tunnel to one of the tunnel categories defined in chapter 1.9.5.2.2 when applying restrictions to the passage of vehicles carrying dangerous goods through tunnels. Contracting Parties must notify the secretariat of UNECE of such restrictions.

The Danish Ministry of Justice hereby notifies the secretariat that the following tunnel categories have been assigned to the tunnel part of the Øresund link connecting Kastrup (Copenhagen) in Denmark with Lernacken (Malmö) in Sweden:

- From 23:00 to 6:00: Class B
- From 6:00 to 23:00: Class E

The categorization entered into force on 1 January 2010.

The Ministry of Justice kindly asks the secretariat to acknowledge the receipt of this letter.

Sincerely,

  
Sara Sophie Fuglsang-Damgaard
